Pneumatic De-icer

IN-SERVICES is now supporting AÉRAZUR De-icing equipment:

- Repair orders from **September 1<sup>st</sup> 2007**
- Spares distribution from **December 1<sup>st</sup> 2007**

In replacement of Satair.

We invite you from September 1<sup>st</sup> 2007, to send all your requests for repair orders directly to the IN-SERVICES Network.

⇒ **NEWS ABOUT**

OEMServices has been selected by Singapore Airlines to provide A380-800 Component Support Services under a fourteen year agreement.

OEMServices will provide complete support services for more than six hundred Part Numbers of which OEMServices will guarantee availability within contractually agreed time frames.

Components and repair services are provided by OEMServices' founding Original Equipment Manufacturers: Diehl Aerospace Systeme, Liebherr-Aerospace, Thales and Zodiac (through IN-Services).

OEMServices proudly acknowledges the confidence of Singapore Airlines in the concept of federating Original Equipment Manufacturers around component support services of which the scope exceeds in many aspects most of the current standards.

⇒ **OUR PRODUCTS IN THE FIELD**

**MF20-534 Full Face Oxygen Mask (F5341)**

Boeing has approved to fit the MF20-534 (AIRBUS regular Full face Mask) on the 777 fleet on order for the Brazilian airline TAM.

This approved change allows TAM to carry the best Full face Mask solution as only one reference for both Airbus and Boeing fleets.
